

An Articulation arrangement is a transfer agreement between the University of Portsmouth and a partner institution. The University of Portsmouth will agree to recognise and grant advanced standing with credit to applicants who have successfully completed a named programme at the partner institution to enter a programme at the University of Portsmouth.

Articulation arrangements provide the partner institution with a "guaranteed" progression route for its students, although the University of Portsmouth will make the final admissions decision.

The following information is correct as at: 08 May 2012
