

UNIVERSITY OF PORTSMOUTH

Information Security

Information Security guidance can now be found on the IT help pages in the form of a series of advisory documents:

<http://ithelp.port.ac.uk/questions/422/Information+Security+Advisories>

The IS Advisories were approved by the Information Systems Board in 2015 and are a series of subject focused documents providing guidance to support the Information Security Policy

<http://www.port.ac.uk/accesstoinformation/policies/information services/filetodownload,140133,en.pdf>

and the ICT Acceptable Use Policy.

<http://www.port.ac.uk/accesstoinformation/policies/information services/filetodownload,88683,en.pdf>

Should you have any queries or require any further information, please contact Security Architect, Robbie Walker on Robbie.walker@port.ac.uk or the helpdesk on servicedesk@port.ac.uk.
